

EXT. FITZGERALD HOME - DAY

Jenna leads Shelby, Tabitha, and April from the house. They cross the lawn and move towards Scooter and the waiting car.

JENNA

The sister will be out of the picture in a couple of days. But, Paul Fuckerman is a problem we're going to have to fix now.

April comes to a abrupt halt on the lawn.

APRIL

Okay, that's it. I'm out.

The group stops and turns to face April.

JENNA

What just came out of your mouth, Ape?

APRIL

This... All of this has gone way too far, Jenna. You never told us it was going to be like this. I'm done with it. I don't want to play the game anymore.

SHELBY

April, don't say that.

Jenna's voice softens and she smiles at April.

JENNA

No, Shelby, it's okay. If April doesn't want to play with us anymore, she doesn't have to.

APRIL

Really?

JENNA

Of course. I just hope we're still friends.

Jenna puts her arms around April and kisses her on the cheek.

JENNA (CONT'D)

That's the only thing that matters to me. Our friendship.

She glares at Shelby and Tabitha over April's shoulder.
